This comedy-melodrama is about family, friendship, open-mindedness and forgiveness. Mr. Green is an elderly, retired dry cleaner, who wanders into New York traffic and is almost hit by a car driven by Ross Gardiner, a 29 year old corporate executive. The young man is charged with reckless driving and is given a community service sentence of helping the recent widower once a week for six months. It begins as a comedy about two men who do not want to be in the same room together, and becomes a gripping and moving story of getting to know each other, coming to care about each other, and exposing old wounds they have been hiding and nursing for years.

Dinner (Optional): Arrangements have been made for the group to meet at 6:00 pm at the Zinful Lounge At Vandy's in The Town Center (around the corner from the theater) for light fare. Dinner is not included in the ticket price.
