

## The Computer Club

The Marco Men's Club has a member's Computer Club which meets once a month in the Marco Community Banks meeting room. The meeting begins at 10 AM on the third Wednesday of each month. The round table meeting encourages each member to ask help in dealing with a systems or hardware issue they might be having. The collective group is often able to help them resolve their problem.

Update Feb 2010:

I have been advised by Mutual of Omaha Bank (formerly Marco Community Bank) that we have access to the community room for our monthly meetings. Our next meeting will be March 17, 2010, at 10 AM (St. Paddies Day).

All other info in the MMC newsletter remains the same.

Hope to see you there.

Steve

Often a local expert attends our meeting, giving us additional help at no charge. With all of our collective experience we can either solve your problems or let you know you are not alone. Printer, camera, hardware, broadband, and software are all open for spirited discussions and debate.

Come and join us, share you problems and insights.

Steve Ehrhorn

MMC Computer Club Chairman
