BYE-BYE-BIRDIE

When the draft selects rock star Conrad Birdie, his fans are devastated, but none more than struggling songwriter Albert Peterson whose song Birdie was just about to record. Albert's longtime girlfriend, (Rosie), pushes Albert to write a new tune that Birdie will perform on television to a fan selected in a contest. The scheme works, with young Ohio teenager Kim McAfee declared the winner, but no one has counted on the jealous wrath of her boyfriend.
