Hollywood Arms is a full-length comedic drama by Carrie Hamilton and Carol Burnett. A young daughter of ineffectual parents finds escape and solace in her own dreams of stardom in this warmhearted, coming-of-age play by comic legend Carol Burnett and her daughter, Carrie Hamilton. Set in a dilapidated corner of America's dream factory, *Hollywood Arms* makes human the story of one dreamer whose dream came true. Adapted from Carol Burnett's family memoir, *Hollywood Arms* is a rare and loving exercise in family history—a story of how flowers and talent can flourish in unlikely and rocky gardens, and of how we want so much to make heroes of those who have come before us.
